

We want to be your No. 1 sparky.

Reliable electrical maintenance for Central Coast property managers.
Fast tenant contact, quick quotes and work finished when we say it will be. If we don't deliver, the labour is free.

OUR THREE SERVICE COMMITMENTS

5 hrs

Tenant contacted

We contact the tenant within 5 business hours of receiving your work order.

48 hrs

Free quote

A clear, no-obligation quote within 48 business hours of attending or receiving the job details.

3 days

Job completed

Approved work completed within 3 business days of quote acceptance, subject to parts and access.

**NO.1
SPARKY
PROMISE**

Miss a commitment and the labour is on us.

If we miss any of these commitments for reasons within our control, we waive the labour component of that job. No arguments.

WHY PROPERTY MANAGERS STICK WITH US

- 1 No chasing required**
We update you when the tenant is contacted, the job is booked, a quote is ready and the work is complete.
- 2 Approval control**
We never exceed your authorised amount without written approval.
- 3 Clean close-out paperwork**
Invoices by property address, photos, recommendations and the applicable compliance certificates (CCEW).
- 4 Monthly performance report**
Your response, quote and completion times, open jobs and callbacks, so you can see exactly how we perform.

TRY US RISK-FREE FOR 30 DAYS

- 1 Quick intro meeting**
We learn how you allocate work and what frustrates you about current trades.
- 2 Send us your next jobs**
We handle a batch of routine maintenance under the full guarantee.
- 3 We track every job**
Response, quote and completion times, recorded and reported.
- 4 Review the results together**
If we've earned it, make us your preferred electrician.

Guarantee terms: Timeframes start when NextVolt receives an authorised work order with tenant contact details and a job description. Business hours: Mon–Fri, excl. public holidays. Completion timeframes exclude delays from parts ordering, tenant or property access, owner approval, weather, or faults found beyond the approved scope. The remedy is a waiver of the labour charge for the affected job only; materials, parts and call-out costs remain payable.
